Football Camp
8:00-10:00 am

Dear Parents,

As we conclude the 2016-2017 school year, I would like to thank all of our parents and guardians for supporting your child's development and the district as a whole. I am proud of the accomplishments our students have achieved and growth they have made throughout the year. At the beginning of the school year, 68.9% of our Intermediate students were considered proficient on the FAST CBM-reading assessment. I am pleased to announce that this spring 82.7% of our student population met the grade level benchmark. Our goal of 80% was achieved because of the hard work and focus from the students, staff, and teachers. As a staff, we also realize that positive encouragement from home was a key factor in this success. We thank you for the continued support and wish everyone a happy summer break.

John Burrell

Please check your child's lunch account balance before leaving for summer break. If you don't receive email notification and need to check your balance or to make payment arrangements please contact the office at (641) 534-4701. From now until the end of the year we will have a table set up in the foyer full of items from our Lost and Found. Make sure you have your child check it for any items you may be missing.

The School Day just got Healthier-Did you know?

Dried fruit and 100% fruit juice are in the fruit group too, but it's important to choose more fresh or frozen varieties. If you drink fruit juice, first make sure it's only 100% fruit juice. For a one cup serving of fruit you could have half a cup of raisins or a whole cup of a fresh fruit. You get more when choosing fresh!
